

Firewise e-mail 2, March 16, 2019

This email is a reminder that Skyline West will have a neighborhood evacuation exercise the morning of Saturday, May 4th, so please mark this date on your calendars. As soon as I have more details, I will email you with a "what to expect day of" email. For now, let's start by preparing ourselves with our own personal wildfire action plans.

The Ready, Set, Go! Program is a national program aimed at helping residents be **Ready** with preparedness understanding, be **Set** with situational awareness when fire threatens, and to **Go**, acting early when a fire starts. CAL Fire has an excellent website and a video that I *highly* encourage you to watch, <http://www.readyforwildfire.org/Ready-Set-Go-Campaign/>

Get prepared for wildfire before it strikes by following Ready, Set, Go!

- Be **Ready**: Create and maintain defensible space and harden your home against flying embers.
- Get **Set**: Prepare your family and home ahead of time for the possibility of having to evacuate.
- Be Ready to **GO!**: Take the evacuation steps necessary to give your family and home the best chance of surviving a wildfire.

Again, Skyline West will have a neighborhood evacuation on May 4th. Share this information with your neighbors and watch for email updates as we get closer to the date.
